## 1. Introduction and aims

At Teenage Kicks we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

## 2. Roles and responsibilities

### 2.1 Staff

All staff (including teachers, support staff, and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Head of School is responsible for monitoring the policy annually, reviewing it, and holding staff and pupils accountable for its implementation.

### 2.2 Headteacher

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
  - Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
-

- › Refrain from using their phones to contact parents. If necessary, contact must be made via the school phone

### 3.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- › Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- › Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

### 3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

## 4. Use of mobile phones by pupils

Pupils are allowed to bring mobile phones to school, however they must put them in their lockers on arrival. They can use mobile phones

- During break or lunch times
- At the direction of the teacher for classroom activities/trips and visits/educational activities only

Pupils must adhere to the school's acceptable use agreement for mobile phone use (see appendix 1).

### 4.1 Sanctions

If pupils do not adhere to the policy:

- › Phones will be confiscated until the end of the day (Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the [Education and Inspections Act 2006](#))
- › Staff have the power to search pupils' phones, as set out in the [DfE's guidance on searching, screening and confiscation](#). The DfE guidance allows you to search a pupil's phone if you have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury. This information will be passed to the designated safeguarding lead for necessary action to be taken.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously, and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- › Sexting
- › Threats of violence or assault
- › Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

## 5. Use of mobile phones by parents, volunteers and visitors

Parents, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

## **6. Loss, theft or damage**

Pupils bringing phones to school must ensure that phones are appropriately labelled, and are stored securely when not in use.

Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Pupils and parents will be made aware of the above through:

- signs displayed in the school entryway or office
- disclaimers signed for bringing a phone to school
- Policy and disclaimer sent home to new pupils and parents

If your school confiscates phones from pupils, add:

Confiscated phones will be stored in the school office in a secure location/locked cabinet.

Lost phones should be returned to the office. The school will then attempt to contact the owner.

## **7. Monitoring and review**

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents and pupils
- Feedback from teachers
- Records of behaviour and safeguarding incidents

## 8. Appendix 1: Acceptable use agreement for pupils

### Acceptable use agreement

You must obey the following rules if you bring your mobile phone to school:

1. You may not use your mobile phone during lessons, unless the teacher specifically allows you to.
2. Phones must be switched off (not just put on 'silent').
3. You may not use your mobile phone in the toilets or changing rooms. This is to protect the privacy and welfare of other pupils.
4. You cannot take photos or recordings (either video or audio) of school staff or other pupils without their consent.
5. Avoid sharing your contact details with people you don't know, and don't share other people's contact details without their consent.
6. Don't share your phone's passwords or access codes with anyone else.
7. Don't use your mobile phone to bully, intimidate or harass anyone. This includes bullying, harassing or intimidating pupils or staff via:
  - a. Email
  - b. Text/messaging app
  - c. Social media
8. Don't use your phone to send or receive anything that may be criminal. For instance, by 'sexting'.
9. Rules on bullying, harassment, and intimidation apply to how you use your mobile phone even when you aren't in school.
10. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
11. You must comply with a request by a member of staff to switch off, or turn over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
12. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store these appropriately, or turn them over to an exam invigilator, before entering the test room. Bringing a phone into the test room can result in your exam being declared invalid.
