

Working Together Agreement

The school will:

- Encourage high academic and personal achievements
- Provide a caring and safe environment
- Provide a balanced curriculum to support the moral, cultural, spiritual, intellectual and physical development of pupils
- Keep parents regularly informed and consulted about general matters and progress of their child
- Encourage pupils to participate in a wide range of extra-curricular activities
- Work with parents to resolve any problems which might interfere with their child's progress at school

Parents/carers will:

- See that their child attends school, on time, in uniform, and are properly equipped
- Let the school know about any concerns that might affect schoolwork or behaviour
- Support the school's policies and guidelines for behaviour
- Support their children's studies in carrying out homework
- Attend parents' evenings during which a sharing of information can take place.
- Encourage their children to achieve the aims of the school

Pupils will:

- Attend school regularly, on time and in uniform
- Bring all equipment they need
- Put maximum effort into classwork and homework
- Follow the schools code of conduct
- Hand phones in at the start of the day
- Not bring prohibited items onto school site.
