Teenage Kicks School Code of Conduct

This leaflet outlines to pupils and parents/carers our expectations and guidelines for acceptable behaviour at Teenage Kicks School.

At Teenage Kicks School, all relationships are built upon courtesy and mutual respect.

We have high expectations of all our pupils. There are clear rules in place to ensure both the safety and welfare of all and to create an atmosphere which supports learning and achievement.

The Code of Conduct is in place to support pupils in managing their own learning and behaviour while allowing others to do the same.

To support pupils and enable them to maximise their chances of success at Teenage Kicks School, it is essential that the Code of Conduct is followed.

Failure to comply with the Code of Conduct, may result in your child being asked to leave, in which case a meeting will be convened at the school, in order to arrange for re-admission.

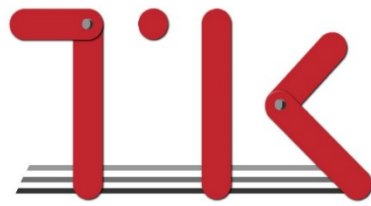

In the case of violence or possession of illegal substances or weapons, the Police will be informed and appropriate action taken.
