Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to Teenage Kicks about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Teenage Kicks takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, you may request to be referred to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, they will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Teenage Kicks will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, as long as they have appropriate consent to do so.

Concerns should be raised with either the Headteacher or Executive Headteacher in his absence. If the issue remains unresolved, the next step is to make a formal complaint.

Complaints against school staff (except the Headteacher) should be made in the first instance, to Chris Valentine (Headteacher) via the school office. Please mark them as Private and Confidential.

Complaints that involve or are about the Headteacher should be addressed to Colin Phillips (Proprietor), via the school office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Proprietor, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by Teenage Kicks, other than complaints that are dealt with under other statutory procedures, including those listed below.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against Teenage Kicks in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

Resolving complaints

At each stage in the procedure, Teenage Kicks wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

The Complaints Procedure

Teenage Kicks prides itself on the quality of the teaching and pastoral care provided for its children. However, if parent/carers do have a complaint they can expect it to be treated by the school in accordance with the following procedure.

Stage 1 - Initial Approach Procedure

1. Parent/carers should have an opportunity for informal discussion of their concerns with an appropriate member of staff. This discussion should aim to clarify the nature of the parent//carer's concern and assure them that the school wishes to hear about it. The discussion should also aim to clarify what kind of outcome the parent/carers is seeking.
2. If the member of staff contacted cannot deal with the matter immediately, he/she should make a firm arrangement to deal with it at a future date or refer the matter to the Headteacher or another appropriate member of staff. In either case a note of the name, date and contact details of the complainant should be taken. The first person contacted should check to make sure the referral has been successful. Parent/carers will receive a response within 48 hours.
3. The Headteacher will ensure that staff are provided with guidelines about when to refer a matter and to whom.
4. If the concern relates to the Headteacher and the parent/carers feels unable to raise it with him/her they should be advised to contact any member of the Senior Management Team.
5. The Headteacher/staff member dealing with the complaint should make sure that the complainant is clear about what will happen next (if anything). This should be put in writing if it seems the best way of making the next steps or outcome clear.
6. If no satisfactory solution has been found, the complainant should be informed about how they should proceed if they wish to take the complaint further. They should be informed of any advice and support that may be available to them

N.B. it is hoped that most complaints and concerns will be resolved quickly and INFORMALLY. However, if this cannot happen:

Stage 2 – Initial approach to the Headteacher or a member of the Senior Leadership Team (SLT). (If a complaint cannot be resolved on an informal basis then the following procedure should be used)

Procedure

1. Parent/carers who wish to pursue a complaint at Stage 2 should be asked to put the complaint and their desired outcome in writing to the Headteacher/SLT member. The Headteacher or SLT member should acknowledge the complaint in writing within 5 school days of receipt giving a brief explanation of the complaint's procedures and a target date for providing a response. Ideally this should be within 10 school days. If it is not possible to deal with the matter in this time, the complainant should be informed of when it is likely to be concluded.
2. The Headteacher/SLT member may offer an opportunity for the complainant to meet him/her. The complainant should, if he/she wishes, be allowed to be accompanied by a friend or

relative who can speak on his/her behalf. Interpreting facilities/hearing loops will be made available if required.

3. If necessary, the Headteacher/SLT member should interview any witnesses and take statements from those involved. If the complaint centres on a pupil, the pupil should also be interviewed, normally with the parent/carer present. In some circumstances this may not be possible or appropriate and a member of staff with whom the pupil feels comfortable should attend with him/her. If a member of staff is complained against, the needs of that person should be borne in mind. Advice may need to be sought from an outside school source.
4. The Headteacher/SLT member should keep written records of meetings, telephone conversations and other documentation.
5. Once all the relevant facts have been established, the Headteacher or SLT member should either write to the complainant or arrange a meeting to discuss the matter. This meeting should be followed up with a letter summarizing the outcome of the meeting.

Stage 3 – Formal Complaint to the Complaints Panel (if parent/carers are still not satisfied with the decision they should be in stage 3 of the Procedure).

Procedure

Upon receipt of a written request from the complainant for the complaint to proceed to Stage 3 the following procedure will be followed. A suitable clerk to the panel should be appointed and a complaints panel formed, comprising of at least 3 members, one of whom is independent of the management and running of the school.

1. The clerk should write acknowledging receipt of the written request, informing the complainant that s/he will be heard by the panel as soon as possible but at least within 14 school days of receipt.
2. The clerk should convene a meeting of the complaints panel at a time which is convenient for the complainant of the school.
3. The clerk should ensure that the complainant, Headteacher and any other witnesses are given at least 5 school days' notice in writing, of the date, time, and place of the hearing. A shorter timescale may be arranged if all parties are in full agreement. The letter of notification to the complainant should inform him/her of their right to be accompanied by another adult if they so wish. The Headteacher should ensure that interpretation facilities for the hearing are offered and made available if required. The letter should set out procedure for the conduct of the hearing (see Annex B) and the complainant's right to submit further written evidence to the panel.

The clerk should invite the Headteacher to attend the hearing and then submit a written report for the panel in response to the complaint. The Headteacher may also invite any other members of staff directly involved in matters raised by the complainant to respond in writing and/or in person to the complaint. Any involvement of other staff should be at the discretion of the Headteacher.

1. All relevant documents should be received by all parties (including the complainant) at least 5 days before the meeting of the panel. This provides adequate opportunity to read them prior to the start of the meeting.
2. Personnel from an outside source may be invited to attend the meeting to advise the panel.
3. One member of the panel should be elected to ensure that proper minutes of the meeting are taken.
4. The Headteacher should try to ensure that the proceedings are sufficiently in- formal to allow the complainant and other participants to feel at ease.
5. At the conclusion of the representations and questions the Headteacher should explain that the panel will consider the issues and write to both parties with their decision or judgement. The complainant will be informed of the outcome of a full investigation within 28 days.
6. All except for the Headteacher, the panel and any advisers in attendance should then withdraw to enable them to consider the evidence. This should include: a judgement about the validity of the complaint; appropriate action to be taken by the school and/or parent/carer; and where appropriate, recommendations on changes to the school's systems or procedures to ensure similar problems do not arise in the future.
7. The school should ensure that a copy of all correspondence and notes is kept confidentially on file in the school and kept for three years. The recorded complaint should be kept separate from the pupil's personal records.
8. The broad outcomes recommended by the panel will be reported to the next full staff meeting by the Headteacher. The identity of all those taking part must be kept confidential.
9. A copy of the panel's findings and recommendations will be provided to the complainant and where relevant the person complained about and will be available for inspection on the school premises.

N.B the complaint will be handled in line with the school's Confidentiality Policy.

In the event of the complainant being unsatisfied with the outcome or the process, an independent and suitably qualified practitioner will be appointed to hear an appeal.

Teenage Kicks follows the Oldham guidelines relating to Child Protection/Safeguarding Children and has within the school 3 nominated members of staff responsible for safeguarding children in line with 'Every Child Matters' legislation.

Parent/carers can access our policy on the school website or by hard copy on request. The number of complaints received in a year is available on request or via the link on the school website.

Next Steps

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.
